

### **Skills and training for Organisations - Options Menu**

I like to be transparent and as straightforward on my pricing as I can be, but when it comes to working with organisations there are a lot of variables. A lot will depend on the scope of the work, how many of your employees you want to involve, and your timescales. But as a rough guide, I tend to charge:

|   |                    |
|---|--------------------|
| <u>Training design and delivery</u>   | £400 - £1,500      |
| <u>Team building design and delivery</u>  | £800 - £2,000      |
| <u>Design work</u> (such as designing induction programmes or a skills matrix etc)  | £200 - 300 per day |
| <u>Coaching/guidance</u> sessions (with discounts for multiple employees)   | £150 per hour      |
| <u>Talent Transformation</u> taster day<br>discounts for multiple bookings or POA for an in-house day or full Talent Transformation Programme,<br>over a longer period of time. | £499 per delegate, |
| <u>Outplacement services</u>  | POA                |

A lot of the preparation work beforehand I do not charge for and I also support with making sure you get the most return for your investment by working with all the participants to ensure they are fully engaged in the process.

These prices are negotiable, depending on a lot of variables and I have a real passion for supporting charities and SMEs so am often able to suggest specific solutions for those type of organisations. I'm also happy to assist you if you just want to let me know what your budget is, and I can then advise you on what support I would be able to provide for that.

I do also offer payment plans, so please do get in touch to find out more.

#### **So, what are the next steps?**

If you like what you've read so far and want to discuss options, then please do drop me an email at: [askthetalentcycle@outlook.com](mailto:askthetalentcycle@outlook.com) and I will then organise a Zoom call (or phonecall if you would prefer), to answer any questions you have. If you want to go ahead, we'll then get things booked in and you can sit back and relax whilst I take all the training and development strain off of you.

It's really that simple!
