

CV and LinkedIn packages

I offer a range of CV and LinkedIn review packages, depending on how much support you need. I do not offer any packages which involve writing a CV from scratch or fully re-writing your CV or LinkedIn profile.

The Bronze Package £99

I'll ask you to send me:
A copy of your current CV
OR a link to your LinkedIn profile
(whichever you would like me to review)
A completed 'further information' form which asks some key questions.

Over the following two weeks I will review your CV or LinkedIn profile and then will send you the review document, with my advice and suggestions of changes you could make.

The Silver Package £149

I'll ask you to send me:
A copy of your current CV
A link to your LinkedIn profile
A completed 'further information' form which asks some key questions.

Over the following two weeks I will review your CV and LinkedIn profile.

I will then send you back:
A LinkedIn profile review document with some suggestions on how to improve your profile
Your CV review with a few changes and some advice on other improvements you can make.

The Gold Package £199

I'll ask you to send me:
A copy of your current CV
A link to your LinkedIn profile
A completed 'further information' form which asks some key questions.

I will then review your documents and may come back to you if I need further information.

Over the following two weeks I will make some changes to your CV and LinkedIn profile, and/or give you further information/advice about changes you could make.

I'll then send you back your revised documents, along with a 'top tips' pamphlet including advice on cover letters and applications.
