

Early Careers (Graduates and school leavers) - Options Menu

1. Career Guidance session

£49

40 minute careers guidance session, over Zoom or via telephone, to help you plan your future steps, whether you are in Year 9, 10, 11 or Sixth Form. I'll help you with any areas you are struggling to decide, as well as give advice about further places for research and after the session will send you a full action plan. This will include a summary of our conversation, information on useful resources and a reminder of your actions for going forward.

2. Apprenticeship Support

£149

Unlike the UCAS website for those looking to go to university, there isn't just one 'go to' place if you're interested in doing an apprenticeship. Where you find information and how you apply, can feel quite overwhelming. Over three 45 min sessions, we will review:

- Where to search for apprenticeships and how to apply
- Application and interview top tips and practise
- Understanding your strengths and how to use them to get an apprenticeship

3. Personal Statements

£60

If you've never procrastinated in your life before, you've probably now discovered a whole new level of it now; anything to put off making a start on your personal statement! I support my clients with:

- A 'top tips' document that will give you the confidence to get started and put pen to paper - it won't be the perfect/final draft but that's ok, we'll get you there.
- You then email me your statement and I annotate it with any changes/suggestions etc. I usually do this on the document but occasionally will speak to you as sometimes it is easier to explain in person.
- You read my comments, make any changes and if you would like me to have a look a second time at your revised version, I can do that and give general final feedback.

Coming soon! The Talent Cycle Tribe - an online Careers Group, offering careers advice, top tips on all the major milestones from Year 9 upwards and lots of fun activities to take part in, for a small monthly membership fee. If you'd like to be kept updated on this, please let me know at askthetalentcycle@outlook.com.
